PROFESSIONAL SUMMARY

Creative and technically skilled BSIT student with hands-on academic and personal project experience in short-form video editing, social media content, and full-stack web development. Background in Facebook marketing and lead generation, with an interest in producing engaging digital content and building practical, user-friendly systems. Detail-oriented, adaptable, and comfortable learning new tools.

CORE SKILLS

Creative: Short-form video editing; TikTok, Facebook Reels and YouTube Shorts content; promotional video production; captions, pacing, transitions and sound design; AI-assisted editing workflows.

Marketing & Sales Support: Facebook marketing; social media content; lead generation; prospect communication and qualification.

Development: Next.js, React, TypeScript, JavaScript, Tailwind CSS, Node.js, Express.js, Zod, PostgreSQL, Git and GitHub; UI/UX improvements and troubleshooting.

RELEVANT PROJECTS & PRACTICAL EXPERIENCE

Short-Form Video & Promotional Content | Personal creative projects

- Developed and edited concepts for short-form social media content and product promotions, with attention to pacing, captions, music, and viewer engagement.
- Explored AI-assisted creative workflows for editing and narration, using voiceover tools when appropriate to the project.

VendoPOS — Point of Sale & Business Management System | Academic capstone project

- Contributed to an existing POS/business system using Next.js, React, TypeScript, Express.js, and PostgreSQL.
- Worked on application features and improvements relating to backend APIs, data handling, authentication, interface usability, and testing.

Web Portfolio & Website Projects | Personal/academic projects

- Built and refined responsive web experiences; applied frontend development, UI improvements, and Git/GitHub version control.

MARKETING & LEAD GENERATION BACKGROUND

- Facebook marketing — 1–2 years of experience reported on OnlineJobs.ph profile.
- Lead generation — 6 months–1 year of experience reported on OnlineJobs.ph profile.

EDUCATION

Bachelor of Science in Information Technology (BSIT) — Current student, 4th year
